## Declaration regarding Commission Regulation 1400/2002

We, Scandinavian Brake Systems A/S, hereby declare that our products are spare parts of matching quality that meet the requirements of Commission Regulation 1400/2002, Article 1(u).

All Scandinavian Brake Systems' products are manufactured according to the quality assurance systems ISO 9001:2000 or similar level.

Further we declare that where required by legislation, Scandinavian Brake Systems' products are tested and homologated and thus meet national or international standards such as ECE Regulation R90 for automotive aftermarket parts and components.

Yours sincerely  
**Scandinavian Brake Systems A/S**
