Nr. 50 100 5978

Soliera, 19th March 2015

Certificate of Parts Quality

Relating to recitals 19 and 20 of the Supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and for the distribution of spare parts for motor vehicles (28.05.2010).

The guidelines accompany Commission Regulation (EU) No 461/2010

Air Top Italia products fulfill the requirements applicable to the use of spare parts particularly for repair and maintenance by "Independent" and "Authorized Repairers". Our '*matching quality parts*' meet the required quality according to recital 20 of the guidelines.

This certificate displaces the previous certificate relating to BER 1400/2002, which expired on 31.05.2010.
